

## RapidFiber® Mini-RDT Distribution Terminal, 12-fiber, SC/APC, plenum cable, 200 ft

- Designed to provide a quick and simple solution for installing fiber in small and medium sized MDU's
- Incorporates a unique fiber cable spooling system that stores up fiber cable within the enclosure
- Removes the need for field termination and extensive site survey inspections

## Product Classification

|                       |                             |
|-----------------------|-----------------------------|
| Regional Availability | North America               |
| Product Type          | Fiber distribution terminal |
| Product Brand         | RapidFiber®                 |
| Product Series        | Mini-RDT                    |

## General Specifications

|                      |                            |
|----------------------|----------------------------|
| Functionality        | Patching                   |
| Adapters, quantity   | 12                         |
| Cable Entry Location | Bottom left   Bottom right |
| Cable Type           | Plenum - Stranded          |
| Color                | Gray                       |
| Interface            | SC/APC                     |
| Interface, stub      | No connector               |
| Mounting             | Wall                       |
| Port, quantity       | 12                         |

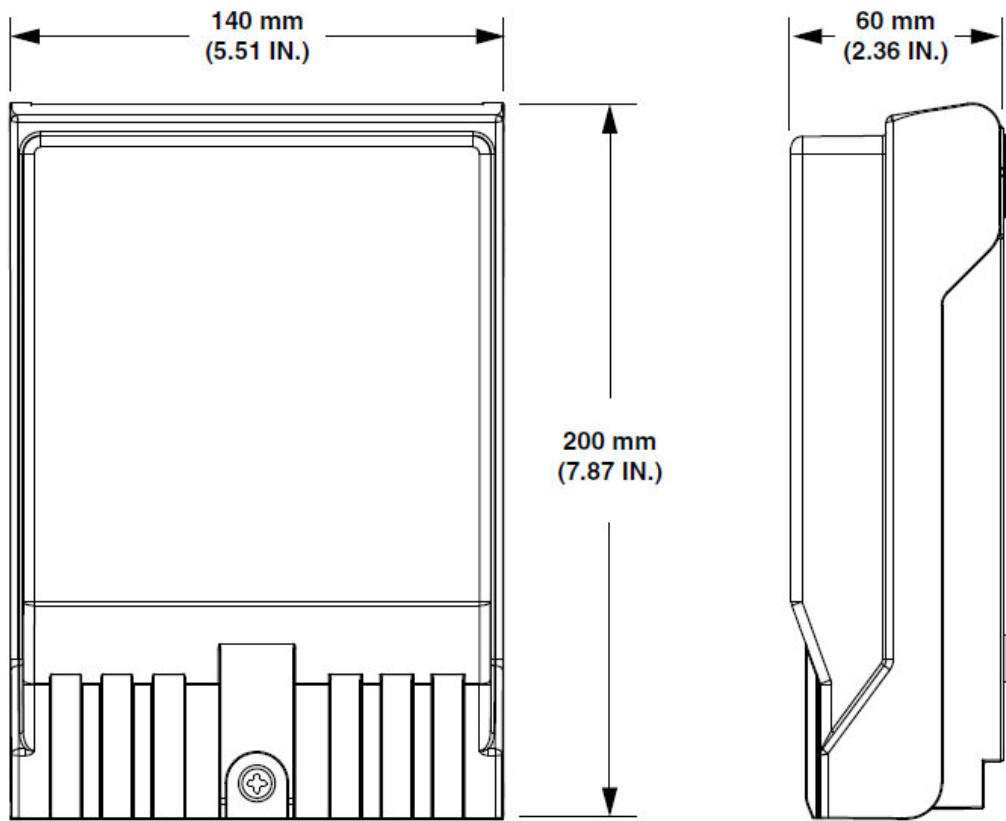

## Dimensions

|        |                   |
|--------|-------------------|
| Height | 200 mm   7.874 in |
| Width  | 140 mm   5.512 in |
