Presslok™ Splice Connectors UY, Box

Part Number:
UY-BOX

With the Presslok™ series of tools and connectors, service providers can meet the demand for enhanced customer services such as high-speed internet, video-on-demand, and video conferencing. Presslok connectors also offer full wire-range capability, increased port size to accommodate up to 2.08 mm (0.082 in) insulation sizes, and solvent resistant plastic construction. As new technologies migrate into the local loop, the importance of reliable connections in the embedded plant has increased exponentially. Each connection is a potential point of failure in high-bandwidth applications, which could require additional time and expense for a technician to repair. That is where the full line of Presslok connectors can really make a difference.

Features and Benefits

Fast installation

Ease of Use

Wide Range of Common Wire Guages

Factory-installed sealant

Dry versions available for Central Offices and Vaults

Presslok™ Splice Connectors, UY, Gel-filled IDC Butt Splice Connector, Box Packaging (100 pce)

Specifications

General Specifications	
Product Type	Copper Splice Connector

Design	
Composition	Gel-filled
No. of connections	Two (2)
Connector Type	Butt
Conductor	26 - 22 AWG

Ordering Information	
Product Number	UY-BOX
EAN Code	4059496712696
Packaging Method	Box
Units per Delivery	100/1

RoHS COMPLIANT
